

look and say	look, say, write	look, write, check	look, cover, write, check

1. Write/type or stick the words to practice spelling in the first column
 2. Look at the first word, read it aloud
 3. Read the first word again, say it aloud and write it in the second column (copying allowed)
 4. Read first word again, write it in the third column, (try not to copy) then check
 5. Read it one more time, cover the word, write it one more time, then check
- Some people prefer to complete all columns for one word or a few words in one day.
Some prefer to complete one column for all the words each day.
Some people do everything in one go - find out what works best for you!
