

# Handwriting guidelines

Handwriting practice lines consisting of multiple rows of four horizontal lines: a solid green line at the bottom, a dotted green line, a dotted blue line at the top, and a dotted brown line. The solid green line represents grass, the dotted green line represents the top of round letters, the dotted blue line represents the top of tall letters, and the dotted brown line represents the bottom of letter tails.

Write on the solid green line (grass). The round parts of all letters reach the dotted green line. The tops of tall letters aim for the dotted blue line (sky). Letter tails aim for the dotted brown line (earth).
